

## Guide to Job Skills in the Tech Field

If you're starting out looking for a job in the tech field, you'll need to get familiar with the tools and equipment often used in the business. Equipment and software available in the Spark! Digital Media Lab can be used to build your knowledge of industry-standard products, and these resources can help you get started.

### Lab resources:

We have high powered PC and Mac desktop computers that are outfitted with a suite of industry-standard software, whatever the focus of your job search.

Check out a full list of the software and equipment we have available on our [website](#).

### Come in for a Spark! Media Lab orientation

Find out more about our open hours, services and programs by visiting our [website](#) or calling the Central Library: 818-238-5600.

### At the library:

Call numbers to browse

- » 331.12
- » 650

Keywords for catalog searches

- » Employment interviewing
- » Careers
- » Tech jobs

### Free with your library card:

Burbank Public Library offers [Universal Class](#), a series of online training courses, free to our card holders.

*This project was supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.*
